## Ethical identity

MADE IN ITALY

For Atlas Concorde, being Made in Italy is not just a prestigious certification of style, design, and production excellence, but an identity that involves all aspects of its business. For this reason, we identify with the values expressed by Confindustria Ceramica's ethical code, which guarantee absolute compliance with labor regulations, and with the marks Made in Italy and Ceramics of Italy, which certify the quality of authentic Italian style.

Per Atlas Concorde, Made in Italy non è solo un prestigioso attestato di stile, design ed eccellenza produttiva, ma un modo di essere che coinvolge tutti gli aspetti della propria attività. Per questo ci riconosciamo nei valori espressi dal codice etico di Confindustria Ceramica, che garantiscono il rispetto assoluto delle normative sul lavoro, e nei marchi Made in Italy e Ceramics of Italy, che certificano la qualità dell'autentico stile italiano.
